Dear Parent/Carer

STEM Digital Newsletter

As part of this years' STEM School Improvement Group (SIG), a group of staff and STEM Ambassador pupils have been working on a digital newsletter and calendar to share all the amazing work going on in the STEM Faculty. We are pleased to publish our very First Edition of the newsletter this week.

The newsletter has been created by staff and pupils using Microsoft Sway to allow for more interactive features and simple sharing, therefore anyone with the link below can view the newsletter.

We have created a STEM calendar, also in the Magazine, which allows us to continually update and highlight important events throughout the year.

If you have a spare 5 minutes, please take a look at some of the exciting opportunities and activities happening with STEM at LHS (and share far and wide!).

To view the newsletter click on the following link:
<https://sway.com/3whr6TSPFmzRNE70?ref=Link>

A **huge** thank-you to Miss Blair and her team of staff and senior pupils for putting all of this together!

We hope you enjoy our very first newsletter and feel free to contact us with any questions, feedback or ideas for future STEM initiatives.

Yours sincerely

The STEM Team
