10 May 2018

Dear Parent/Carer

### **S2 STEM Academy Careers Event**

Our S2 STEM Academy pupils begin their year with a focus on giving them an insight into various STEM careers. We are currently organising a speed networking event for pupils on Friday 15 June 2018 from 11.00 am until 12.15 pm and are looking for volunteers from the STEM industry.

If you have a STEM role within the industry and are willing to speak to pupils about your job, your company, the skills that you use as well as your pathway from school then please complete this short Google Form by clicking on the link/scanning the QR code and we will be in touch.

<https://goo.gl/forms/zuR1SVLxAti4faTI2>

This will involve small groups of pupils rotating between stations and speaking to you for 4/5 minutes. You could show them slides on a laptop or physical props related to your role within the STEM industry. The pupils will then be given 3 minutes to interview you before moving to the next station.

The event will take place in the staff room at Larbert High School and guest speakers are welcome to arrive during interval (starting at 10.35 am) for tea/coffee/water. This will also be available during the event.

We appreciate your help in promoting STEM careers to our future generation.

Yours sincerely

Ashifa Naseer  
**Principal Teacher of Science (BGE)**
